

## THURSDAY PRO-AM (MENTORING) GAME

EVERY THURSDAY @ 1:00 P.M.

Games are open to everyone whether you are looking to improve or just wanting to play.

Players with 400 or more masterpoints and/or who are Life Masters can play only with players who have fewer than 400 masterpoints and are not Life Masters.

Players with 0-399 masterpoints who are not Life Masters can play with anyone they choose.

Updated lists of players with 400 or more masterpoints and/or Life Master status and those with fewer than 400 masterpoints who are not Life Masters will be posted on the club bulletin board and on the website as needed.

Arrange your own partnerships. A person improves by playing with and against better players. Grab someone who is a better player than you and ask her/him to help YOU become a better player. Call Director Gary Chaney (see below) as much in advance as possible if you need a partner for a game.

Hands will be pre-dealt with hand records available at the end of the session. Hand records showing the performance of all pairs are also available at [www.fortwaynebridge.org](http://www.fortwaynebridge.org), usually shortly after the game.

FREE 30-minute lessons begin at 12:00 on every  
Thursday.

Bring your lunch and your desire to improve.
