

Rubber Bridge Players

Play FREE
every Tuesday (1PM) in June

in a NEW GAME planned for players like YOU!
at the Fort Wayne Duplicate Bridge Club

Even if you've never played duplicate bridge, this game is for you.
Just show up 20 minutes before the game to learn how.

Duplicate bridge is the same bridge you've always played, but more fun because
you'll play the same hands as all other pairs sitting your way.
Later, you'll learn how you did and get a printout of all hands played.
