Map Out a Plan to Approach Alzheimer's

When facing Alzheimer's disease, there are a lot of things to consider. Alzheimer's Navigator helps guide Caregivers to answers by creating a personalized action plan

The Alzheimer's Association Greater Indiana Chapter provides services in 73 Indiana counties. Indiana is home to 110,000 Hoosiers living with Alzheimer's disease and 215,000 unpaid Indiana caregivers. Our mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. Our vision is a world without Alzheimer's and all other dementia.

24/7 Helpline 365 days per year

Get Connected

- **Register for support groups.** Join support groups led by Greater Indiana Chapter staff and experienced support group facilitators. Virtual and in person options are available. Space is limited. Register via the Helpline (800.272.3900).
- **Join ALZConnected.** ALZConnected®, powered by the Alzheimer's Association®, is a free online community for everyone affected by Alzheimer's or another dementia, including people with the disease, caregivers, family members, friends, and individuals who have lost someone to Alzheimer's - alzconnected.org

Get Educated

- **Virtual Resource Fair.** View replays of our Virtual Resource Fair. Hear from experts on a variety of topics including legal and financial planning and driving.
- **Join a virtual education program.** Greater Indiana Chapter staff and volunteers are hosting Education Programs for those affected by Alzheimer's and dementia. [View upcoming programs and register online.](#)

Watch education programs on demand. The Association offers a number of Alzheimer's and dementia courses available online, 24 hours a day and linking you to information, support and local resource - alzheimersnavigator.org
